## Description

Indulge in a dreamy 5-hour tour that promises unforgettable memories as you explore some of the most renowned and photographed beaches in Northwest Crete – Balos Lagoon and Gramvousa.

Balos Lagoon, unquestionably one of Greece's most beautiful destinations, boasts a unique beach adorned with various sea shells. Immerse yourself in a fantastic swim within the crystal-clear waters that will make you feel like you're in a dream. Departing from Chania harbor, enjoy the scenic ride as we head to secluded bays. Arriving at Balos Lagoon, strategically timed before the arrival of large ferries, allows us to peacefully relish a refreshing break in the majestic blue lagoon. Our journey continues to Gramvousa Island, home to the renowned castle built by the Venetians in 1579 at the island's highest point – a steep, 137-meter-high rock. Optionally, take a 20-minute walk (optional) to the castle, enjoying its majestic beauty and panoramic views of Balos Lagoon. Here, you can also indulge in a swim in the crystal-clear waters. Sailing back, we follow the same breathtaking route close to the Rocky Mountains until we return to Chania old harbor.
